

IRANEYAN.B

PROFESSIONAL SUMMARY

As a third-year Computer Science And Engineering student with a strong foundation in software development. Highly adaptable and committed to continuous learning, seeking opportunities to expand my expertise and contribute to innovative projects with dedication.

CERTIFICATIONS

- **Wipro Cloud Certified**
- **Wipro Artificial Intelligence Certified**

PROJECTS

Whistle Event And Hall Booking App

CODE

- Engineered a full-stack event booking platform enabling seamless discovery and reservation of venues and services in real time.
- Designed a responsive UI to simplify vendor selection, booking management, and event planning workflows.
Integrated secure payments and scalable backend architecture for efficient coordination, real-time availability, and data management.

Technologies Used:

Frontend :HTML,CSS
Backend :Supabase , Java
Database :MySQL
APIs : Razorpay
Visulization :Map(Leaflet)

Webinar

CODE

- Developed a webinar and online course platform enabling users to explore, select, and enroll in courses while allowing admins to manage course content.
- Designed a responsive interface and implemented a scalable backend using Spring Boot and REST APIs for efficient course management and user data handling.

Technologies Used:

Frontend :HTML , CSS
Backend :Supabase , Java
Database :MySQL
APIs :PostmanAPI

ACHIEVEMENTS

- Secured 3rd place among 150+ projects at the Inter-College Project Expo (2025) for innovative project development and execution.
- Repeated the achievement by securing 3rd place among 215+ projects at the Inter-College Project Expo (2026), demonstrating consistency and technical excellence.
- Solved 350 problems on LeetCode, demonstrating strong problem-solving and coding capabilities

- English

EDUCATION

ST. Joseph College Of Engineering - Chennai

BE. Computer Science And Engineering(2023-2027)

CGPA: 8/10

CSI.St.Ebba's Matric.Hr.Sec.School - Chennai

SKILLS

- **Computer Science Fundamentals:** Data Structures and Algorithms, Object-Oriented Programming,AWS Cloud Services
- **Languages:** C++,C,Python
- **Frameworks/Libraries:**React
- **Web Development:** HTML,CSS
- **Database** Mysql,Supabase
- **Soft Skills:** Communication, Problem Solving, Critical Thinking,Teamwork, Leadership
